

Remarks

This Preliminary Amendment is being submitted with the Divisional Application filed concurrently herewith

In the Claims

Claims 1 to 41 have been canceled as they have been allowed in the above - identified Parent Application.

Dependent claims 43 to 59 to and 61 to 76 have been amended to correct a clerical error to indicate that they are in fact structure claims and not method claims as they respectively depend from independent method claims 42 and 60. These amendments are not believed to limit the scope of the claims.

Examination of claims 42 to 76 is respectfully solicited.

CONCLUSION

Allowance of all claims is requested. Issuance of the application is requested.

Docket: TSMC 01 - 1380B
S/N: TBD

It is requested that the Examiner telephone Stephen G. Stanton, Esq. (#35,690) at (610) 296 - 5194 or the undersigned attorney/George Saile, Esq. (#19,572) at (845) 452 - 5863 if the Examiner has any questions or issues that may be resolved to expedite prosecution and place this Application in condition for Allowance.

Respectively submitted,

Stephen B. Ackerman
